Keep Up With the Tools of Your Trade, While Keeping Safety in Mind!™

Glove Clips & Holders

The **Glove Guard®** & **Utility Guard®** clips are the original glove clips and the only ones with the patented safety breakaway and a proven record of reducing glove loss and hand injuries.

The **Handi Klip®** glove clip is a lower-cost alternative with a ball-socket safety breakaway that provides a full range of motion and strong grip.

Metal Detectable clips are available!

Custom Imprinting Available!

Utility Bag™ Safety Totes

Not sure where to keep your tools? The **Utility Bag™** tote can help! The **Open Mesh** and **Soft Pouch** lines work great for small tools and water bottles while the **Eyeglass Bag** is made to hold your safety glasses while not in use. All Utility Bag™ lines feature the patented safety breakaway.

Utility Catcher® Clip

The Utility Catcher™ clip is a versatile catch-all for a variety of tools and PPE items. Wear it on a belt, hang it on a wall or slid it on a grid wall! Perfect for cord management, ear muff's, large gloves, hard hats and much more!

Custom Imprinting Available!

New!

Goggle Guard Clip

The **Goggle Guard** clip is a fast & convenient way to keep goggles securely held to full brim or cap-style hard hats.

Integral pencil clip holds number 2 pencils, carpenter pencils or small-to-medium sized pens.

Custom Imprinting Available!

Glove Rings® Acc.

The **Glove Rings®** provide a quick and easy way to form a tight seal on many types of chem suits so less time is spent suiting up.

KewLid® Cover

The **KewLid®** cover is made to fit over the top of a 55-gallon drum or 44-gallon trash can to hold your beverage cooler in place while providing a trash receptacle and room for cups and single-serve drink mixes consolidating your hydration station to a single tower.

Brim 'N Shade

The **Brim 'N Shade** fits over most hard hats to provide a full brim of shade plus a long rear flap that fully protects the back of your neck.

Attach-A-Flap

The **Attach-A-Flap** adds shade to caps and hard hats while providing variable coverage for your neck and ears from the sun's harmful UV rays.
