The new Goggle Guard clip is a fast and convenient way to keep safety goggles securely held to a hard hat. Made in the USA from a high quality plastic, the clip snaps to the brim of most hard hats and some bump caps. The Goggle Guard clip also features a pencil clip that can hold No. 2 pencils, carpenter pencils or any small to medium sized pens.

Custom Imprinting Available!

Customize your clips with a company name, logo, contact information or even your own safety slogan! The imprint area is a large 2" x 1" and can be up to two colors!

Fits front brim of ball-cap style hats!

Holds a variety of eyewear!

Holds pens, no. 2 or carpenter pencils!

The Goggle Guard clip has been tested to fit a large variety of hard hats and will fit both full-brim and cap style hats. For cap style hats, bump caps and some full-brim hats, clip to the front brim of the hat. For all others, attach the clip to the rear brim of the hat.
