Simple Tools With Unique Designs

UVeto™ Sun Protection - *Safety Under the Sun!*

The UVeto™ products provide head, face and neck protection from the sun's harmful UV rays. With styles that work with hard hats, caps or as standalone hats, there is a UVeto product that will work for you.

All products carry a UPF rating of 50+!

Attach-A-Flap

The Attach-A-Flap adds shade to caps and hard hats while providing variable coverage for your neck and ears from the sun's harmful UV rays. It is a one size fits all design that fits over the suspension system or around a ball cap and is light and comfortable to wear.
