

Glove Guard

Simple Tools With Unique Designs

Utility Catcher™ Clip

The Utility Catcher™ clip is a versatile catch-all for a variety of tools and PPE items. It can be worn on a belt, hung on a wall or slid on a grid wall. The Utility Catcher™ clip is perfect for cord management, large gloves, hard hats, ear muffs, hoses, safety lanyards and much more!

Now made with a keyhole to store items on a wall or to string cords or hoses along studs to prevent tripping hazards!

| HC Part # | Color | HC Part # | Color |
|------------|-------|------------|-----------|
